

2177-03
Errata 1

October 17, 2005

It has been pointed out that there is a typographical error on Page 7 of GPA 2177-03. In the upper left hand corner of the page there is a table showing concentration to repeatability. It should be concentration to reproducibility instead of repeatability. Please make this change in your brochure and call me if there are any questions.
